TO

J. D. GORDON, Esq., C.S.I.,

CHIEF COMMISSIONER OF MYSORE,

MYSORE.

The Memorial of GEORGE G. BROWN and ROOCHOOMUL SAIT
Toddy Contractors of the Mysore District.

SHEWETH,

That Your Memorialists find themselves compelled, once more, to approach you with a statement of their case, and earnestly pray your just and favorable consideration.

2. That on the 21st February 1878 Your Memorialists submitted a petition, setting forth, that they held the Toddy Contract of the Mysore District at an enhanced rat of lease, the enhanced portion alone being Rs. 350,422-3-0 for five years, in excess of th sum paid by the Contractors who immediately preceded Your Memorialists; that owing t the famine, Your Memorialists had sustained a loss, between the 1st October 1876 and 31s March 1878, of Rupees 154,000; and that a remission should be granted in consequence.

3. That Your Memorialists' application having been forwarded to you by Colone A. C. Hay, Commissioner of the Ashtagram Division, you were pleased to pass an Order thereo No. 3528/R42, dated 8th August 1878, stating that "having regard to the concessions mad to other Contractors and to the undoubtedly severe and, to a great extent, unforeseen los which the Contractors have sustained, you will consent to a remission of Rs. 35,000 out o the Contract Amount for the year 1877-78."

4. That this remission of Rs. 35,000, Your Memorialists submit was totally inade quate, inasmuch as they were compelled to make good the difference of loss actually sus tained, viz., Rs. 119,000. And it is respectfully submitted that the inadequacy will be mani fest from the following comparison :—

	Amount of Contract per annum.	Remission by Government.
Nundidroog Division.....	Rs. 220,000 0 0	Rs. 86,000 0 0
Hassan District.....	Rs. 60,000 0 0	Rs. 20,000 0 0
Mysore District.....	Rs 220,000 0 0	Rs. 35,000 0 0

5. That from the foregoing figures it will be seen that, as compared with the sur annually payable by each Contractor, the remissions granted bear the following proportions viz. :—

Nundidroog Division..... ..... 39. 1/11 per cent.
Hassan District..... 33. 1/3 per cent.
Mysore District..... 15. 10/11 per cent.

6. That the respective contractors above alluded to have suffered losses from on and the same cause, which you have been pleased in your Order No. 2164—R 23, dated 22n June 1878, most correctly to describe as arising he "devastation caused to the grove of toddy trees." and from "the lamentab of population by death or desertio sses" (that is, the toddy co g classes). You have also been fur t "that the extent of the ity could not have been foreseen whe ered into."

the face of these facts and notwithstanding the heavy norialists, feeling solicitous to meet the views of Governme to fulfil their original engagements which were entere could have possibly foreseen the calamity since endured. Memorialists' best exertions have utterly failed to realiz e 1st April to the 31st December 1878, or for a further ited, in the Gross Revenue to Rs. 59,356-7-7 and in Ou 515-15-9 or in all to Rs. 83,872-7-4.

order to put all the details before you, Your Memorialis statements herewith appended, from which it will be seen, 31st December 1878, Your Memorialists' losses amount to R remission of Rs. 35,000.

s it is impossible for Your Memorialists any longer to conter they earnestly trust that, in considering their case, you v nquish their contract and to give them such remission for on an equal footing with the contractor of the Hassan the contract to them for the next two years ending 31st a reduced annual sum as you consider fair, taking into consideration the of the country as evidenced by the results of the recent sales of the Toddy contract in the Chittledroog District and Nundydroog Division.

And Your Memorialists SHALL EVER PRAY
